

INTERACT Preceptorship on Recurrent Angioedema

STATE OF THE ART

MANAGEMENT OF RECURRENT ANGIOEDEMA AND HANDS ON TRAINING

with special focus on South America

September 1st, 2021
h. 4:00-8:00 pm

The overall aim of this preceptorship is for physicians to learn about the clinical spectrum, burden, differential diagnosis, and the modern diagnostic work-up in patients with recurrent and hereditary angioedema and how to manage these diseases - taking into a special account the conditions in South America. Furthermore, the participants will also gain a greater understanding of the aims of treatment of recurrent and hereditary angioedema.

FACULTY

Prof. Dr. Marcus Maurer
Charité, Berlin, Germany

Prof. Dr. Markus Magerl
Charité, Berlin, Germany

Dr. Thomas Buttgereit
Charité, Berlin, Germany

Dr. Anete S. Grumach
Faculty of Medicine ABC, Santo André, Brazil

INTERACT Preceptorship on Recurrent Angioedema

STATE OF THE ART

**MANAGEMENT OF RECURRENT ANGIOEDEMA
AND HANDS ON TRAINING**

with special focus on South America

September 1st, 2021

4:00-8:00 pm CEST

Welcome and introduction to the programme 5'

Marcus Maurer, *Germany* - Anete S. Grumach, *Brazil*

Multiple choice test - Test your knowledge 15'

Faculty together with participants

What is recurrent angioedema? 25'

Markus Magerl, *Germany*

Differential diagnosis and diagnostic workup of recurrent angioedema 25'

Marcus Maurer, *Germany*

**Interactive case discussion on how to identify
the cause of recurrent angioedema in patients 30'**

Moderator: Anete S. Grumach, *Brazil* - Thomas Buttgereit, *Germany*

Workshop session 20'

WORKSHOP 1

**Diagnostics and monitoring tools
and instruments, which ones to use
and how to use them**

Marcus Maurer, *Germany*

Anete S. Grumach, *Brazil*

WORKSHOP 2

**Tips and tricks for the management of
recurrent angioedema, diagnosis and
therapy (algorithms, guidelines, patient
diaries, ID card, emergency set)**

Markus Magerl, *Germany*

Break 20'

Management of recurrent angioedema 25'

Marcus Maurer, *Germany* - Markus Magerl, *Germany*

Workshop session 20'

WORKSHOP 1

**Diagnostics and monitoring tools
and instruments, which ones to use
and how to use them**

Marcus Maurer, *Germany*

Anete S. Grumach, *Brazil*

WORKSHOP 2

**Tips and tricks for the management of
recurrent angioedema, diagnosis and
therapy (algorithms, guidelines, patient
diaries, ID card, emergency set)**

Markus Magerl, *Germany*

Multiple choice test - Relevant for diploma 15'

**The management of hereditary angioedema,
region-specific considerations:**

Where do we stand? Where do we go? 25'

Anete S. Grumach, *Brazil*

Test discussion and conclusion 15'
